

Erase and reveal

- 1 Type your question and answer
- 2 Use a pen to cover the answer with digital ink
- 3 Select the digital ink and set it to the same color as the page background. For example, if the page background is white, then the digital ink should also be white.
- 4 Select the **Eraser** tool, and erase the digital ink covering the answer. The Eraser tool will only erase objects created with digital ink. Anything typed with your keyboard cannot be erased with the Eraser tool.

TIP: You may want to add instructions that let the class or other teachers know that all they need to do is to use the eraser.
